## 2. Introduction

As previously advised, from 31 March 2025 we have been operating under a new brand and the firm's name has changed to S&W Partners LLP (formerly Evelyn Partners LLP). Please note that this is a change to our brand only and that the services provided are unaffected.

By way of reminder, on 8 October 2019 Mark Ford, Adam Stephens and Henry Shinnars of S&W Partners LLP (formerly Evelyn Partners LLP and Smith and Williamson LLP), 45 Gresham Street, London, EC2V 7BG, were appointed joint administrators of the Company.

The Company is in a specialist insolvency process, introduced in 2011, known as an Investment Bank Special Administration. The detail of this process is set out in the Regulations and the Rules which must be read together with CASS (together "the Legislation"). The Legislation is written to ensure that a fair and consistent approach is applied to all Clients in relation to holding and returning their Client Assets.

This is the JSAs' thirteenth progress report, produced in accordance with Rule 122 of the Rules, to provide Clients and Creditors with an update on the progress of the Special Administration for the six-month period from 8 October 2025 to 7 April 2026.

The JSAs' Proposals for the conduct of the Special Administration were made available to all known Clients and Creditors on 25 November 2019. The initial meeting of Clients and Creditors was held on 16 December 2019, at which the Proposals were approved by Clients and Creditors without modification.

You are encouraged to read this progress report in conjunction with the Proposals and the JSAs' preceding progress reports, copies of which can be found at <https://www.swgroup.com/services/restructuring-and-recovery-services/reyker-securities-plc/>.

Appendix I contains information in respect of the Company and the JSAs that is required under the Rules.

## 3. Executive summary

### 3.1 The return of Custody Assets and CAI

During the period of this report, the JSAs have continued to process remaining Transfers and Distributions of transferrable Custody Assets and CAI to the five Nominated Brokers or to Clients' own choice of alternative broker where possible. This has included liquidating Clients' Custody Assets where they have provided instructions to do so and the Custody Asset held can be readily sold.

Of the 8,996 Clients who held Custody Assets when the Transfer and Distribution process commenced, there now remains only 80 Clients with a transferrable Custody Asset at Reyker. The total number of different Custody Assets held for these Clients by Reyker, that may be transferred, is 38. Various issues have prevented a straightforward transfer of these remaining Custody Assets, which the JSAs have continued to try to address but they are outside of the JSA's control. As a result, during the period covered by this report, the JSA reached the conclusion that they had returned Clients' Custody Assets to the extent reasonably practicable and a Long Stop Date Notice was issued on 1 April 2026 (pursuant to the terms of the Court approved Distribution Plan). The Long Stop Date is 5 June 2026 and the notice was sent, where possible, by post and email to the relevant Clients.

The Long Stop Date Notice provides Clients with a final two-month period in which to provide instructions or information that may facilitate a Transfer, Distribution or liquidation of their remaining Custody Assets held. Once the Long Stop Date has passed the JSAs are released from any further obligation under the Distribution Plan to continue to return the Custody Assets and will have the right to liquidate Custody Assets, if there is a ready market on which the Custody Asset may be sold, and return the proceeds to Clients.

**We therefore urge any Clients who have not yet provided instructions for where their Custody Assets should be transferred to contact us as matter of urgency.**

Once the JSAs have completed any distribution instructions received between now and the Long Stop Date which are within their control and liquidated any remaining Custody Assets (to the extent possible), they may then seek to apply to Court for a Hard Bar Date alongside the one that is being sought in relation to the closing of the CMP. These steps will help conclude the special administration.

Further information can be found in section 5.1 and 5.7 below.

For the avoidance of doubt, if the JSAs have classified a Custody Asset as Non-Returnable they have concluded that there are no further steps that can be taken to transfer that Custody Asset to a new broker. In most circumstances a Non-Returnable Custody Asset is not likely to have any realisable market value.

## 3.2 Distribution of Client Money and closing the CMP

Over the last six months, the JSAs have continued to process further distributions of Client Money as and when the respective Client or receiving broker has completed the requisite, but previously outstanding, action. Of the 9,192 Clients who held Client Money, 8,133 Clients (88%) have now received their respective share of Client Money in full, without deduction for costs given the FSCS compensation and funding arrangements under the FSCS Compensation Deed (previously 8,117 Clients).

The JSAs and remaining Reyker employee have continued their reasonable and proportionate efforts to return Client Money to Clients and we are pleased to report that a further £81k of Client Money has been returned in the last six months.

Clients that are either not FSCS Protected Claimants or, alternatively, FSCS Protected Claimants whose respective share of costs exceed the compensation limit could not receive any further Client Money as part of the third and final distribution as the sums previously retained from prior distributions are required to meet the respective Clients' share of the estimated distribution costs. There has been no change to this position during the report period.

Notwithstanding this, depending on the costs to conclude the Hard Bar Date application, the JSAs still anticipate a small, final, balance of Client Money may be paid to such Clients once the CMP has been closed to all claims and the total cost of the Client Money distribution finalised; particularly in circumstances where any unclaimed Client Money held after the Hard Bar Date is permitted by the court to be applied against such costs in accordance with the Distribution Plan.

The JSAs remain keen to close the CMP, however, as explained in detail in previous reports, this requires an application to the Court to set a Hard Bar Date (which will act as the last possible date for claims to the CMP by any party) once the JSAs consider that there is no reasonable prospect of any further claims to Client Money being received.

During the period, we received 9 new claims to Client Money, which is in line with the previous six month period, and now leaves a total of 732 Clients (previously 741) who are yet to submit a claim to circa £551k of Client Money. The JSAs' legal team have prepared an outline application to court for the setting of a Hard Bar Date for the submission of claims to the CMP and have instructed counsel to advise, taking into account all the circumstances of the case, on the application.

Given the advanced stage of the Custody Asset transfer and distribution process, the rate of new Client Money claims and the legal advice received, we consider that a combined application to Court for a Hard Bar Date in respect of both Custody Assets and Client Money could be made (which will help reduce costs) later this year and will keep Clients updated in relation to this.

Clients who are yet to submit a claim to Client Money and/or their Client Money distribution instructions are referred to section 3.4.2.

## 3.3 Anticipated outcome for Clients and Creditors

### 3.3.1 Clients

As previously reported:

- The Distribution Plan (as approved by the Court) sets out the basis and methodology for allocating the costs incurred by the JSAs in pursuing Objective 1 for Custody Assets. The Distribution Plan estimates that Clients will be charged a fixed fee (the Share of Costs) of no more than £2,500 in respect of the return of their Custody Assets, however, this is capped to the lower of the fixed fee or the value of a Client's Custody Assets as at 8 October 2019; and
- Costs for dealing with the CMP will be levied proportionately as a percentage of each Client's Client Money balance. As previously reported, it is anticipated such costs will be up to 12% of the CMP, however, this remains subject to Client behaviour and the timing and success of our application to set a Hard Bar Date to enable us to finalise all claims to the CMP.

Whilst these costs may be deducted from the respective Client Assets in accordance with the Regulations and CASS, more than 99% of Clients qualify for FSCS compensation and, therefore, other than a very small number of exceptions, these **Clients will not have to meet these costs (as they will be settled by the FSCS) and will receive a full return in respect of their Custody Assets and Client Money.**

### 3.3.2 Creditors

The outcome for creditors is dependent upon:

1. The level of House Asset realisations to the Company's estate; and
2. The costs of the Special Administration in pursuing Objectives 2 and 3.

The Company had very few assets at the time of the Special Administration with even its regulatory capital tied up in the development (and balance sheet capitalisation) of a software application. Given the level of costs and expenses incurred in relation to Objectives 2 and 3, the JSAs believe it is very unlikely that a dividend will be paid to any class of creditor.

### 3.4 What do Clients need to do?

**Clients that have received their Client Money and have had their Custody Assets transferred or Distributed do not need to do anything further.** The JSAs must, in accordance with the Rules, send a copy (or notice) of this report to these Clients notwithstanding the fact that their economic interest in the process is complete.

#### 3.4.1 Clients with Custody Assets and/or CAI still held by Reyker

Clients who still have Custody Assets held by Reyker should get in touch with the JSAs before 5 June 2026, the Long Stop Date, to provide their instructions for a transfer if they wish to retain their Custody Assets.

On receipt of instructions the JSAs will process both Transfers of Custody Assets and/or CAI to the Nominated Brokers and Distributions to those brokers designated by Clients respectively.

**Clients with Custody Assets still held at Reyker should urgently contact client services on 0207 397 2586 or, alternatively, by email at [clientservices@reyker.com](mailto:clientservices@reyker.com).**

#### 3.4.2 Clients with Client Money

Clients who are yet to submit a claim to Client Money and/or their Client Money distribution instructions or, alternatively, still need to update a previously submitted 'hold' instruction should either log on to the Portal or contact client services as soon as possible to provide their instructions.

**Additional information as to how to access the Portal and submit your CMIF is available on the Website.**

Clients who wish to update their CMIF (e.g. change of bank account details) can do so by writing to client services by email at [clientservices@reyker.com](mailto:clientservices@reyker.com) or, alternatively, by post at Reyker Securities plc (in special administration), c/o RRS Department, S&W Partners LLP, 45 Gresham Street, London, EC2 7BG.

**Should you have any queries, please contact Client Services on 0800 048 9512 or by email at [clientservices@reyker.com](mailto:clientservices@reyker.com).**

Please note, Clients that are yet to submit their claim to Client Money are encouraged to urgently engage with the process, even if they consider their Client Money balance to be relatively small, as the JSAs intend on making an application to court to set a Hard Bar Date, after which Clients who have not submitted their claim will lose their rights to claim Client Money in the CMP.

**Clients, with smaller claims, that do not wish to pursue any repayment of funds are still encouraged to submit their claim and to provide instructions for their entitlements to be paid to charity.**

#### 3.4.3 Further information

Instructions on how to access the Portal, along with the most recent reports, updates and documents, can be found at the Website (<https://www.swgroup.com/services/restructuring-and-recovery-services/reyker-securities-plc/>).

Should you have any queries relating to the Special Administration, submitting a claim to Client Assets or would like to request a hard copy of any of the documents available on the Website (which will be provided at no cost) please contact us by:

## 4. The JSAs' Objectives and Proposals

There have been no amendments to, or deviations from, the JSAs' parallel pursuit of the three Objectives or their Proposals in the report period or during the Special Administration to date.

## 5. Progress of the special administration

This section provides Clients and Creditors with an update on how the JSAs have been pursuing their strategy with a view to achieving the three Objectives and the progress made to 7 April 2026.

### 5.1 Return of Custody Assets and CAI (Objective 1)

During the report period, the JSAs have continued to return Custody Assets and CAI where possible.

#### 5.1.1 Transfers and Distributions of Custody Assets to the Nominated and other Brokers

Following the approval of the Distribution Plan, in January 2021 the JSAs commenced the Transfer of Custody Assets and CAI to the five Nominated Brokers, being James Brearley, Thompson Taraz, Logic, Kin Capital and Pershing. Whilst the Transfers to James Brearley, Thompson Taraz, Kin Capital and Pershing are complete, there remain a small number of Custody Assets that have yet to be transferred.

Some Clients either opted out of the Transfer or, alternatively, they had no Nominated Broker (mainly CTF and IF ISA Clients). The Distribution process required these Clients to nominate their own choice of broker. The JSAs commenced these Distributions in June 2021.

During the period of this report the JSAs have processed a small number of remaining Transfers and Distributions of transferrable Custody Assets and CAI to the five Nominated Brokers or to Clients' own choice of alternative broker. At present the JSAs only hold 38 Custody Assets that they consider are transferrable for 80 Clients. In addition, in accordance with the terms of the Distribution Plan, a significant number of Custody Assets have been classed as Non-Returnable as for practical or legal reasons it will not be possible to return these Custody Assets to Clients (see 5.1.3).

As the JSAs are of the opinion that they have completed the return of the Custody Assets to the extent reasonably practicable, a Long Stop Date Notice was issued to all Clients for who Reyker continues to hold Custody Assets (including Non-Returnable Custody Assets) on 1 April 2026.

#### 5.1.2 Long Stop Date

A Long Stop Date of 5 June 2026 has been set by the JSAs. After this date the JSAs will be released from any further obligation under the Distribution Plan to continue to return a Clients' Custody Assets. Where there is a ready market on which Custody Assets may be sold the JSAs will have the right to take steps to liquidate any realisable remaining Custody Assets and then return the proceeds to the relevant Clients.

The JSAs therefore urge any Clients for which Reyker continues to hold transferrable Custody Assets (see Appendix VI for a list of Non-Transferrable Custody Assets) to get in touch to provide their instructions if they wish to retain their Custody Assets or would like them liquidated.

**Clients should contact client services on 0207 397 2586 or, alternatively, by email at [clientservices@reyker.com](mailto:clientservices@reyker.com).**

#### 5.1.3 Transfers and Distributions of CAI

CAI includes dividends, coupon payments or mandatory 'kick-out' redemptions derived from Custody Assets. Such cash receipts must be segregated from the CMP (in accordance with CASS) and, where possible, is allocated to the respective Client's plan. The process by which CAI is currently being returned to Clients by the JSAs is the same as for Custody Assets, as set out in the Distribution Plan.

A small amount of CAI continues to be received by the JSAs in respect of Custody Assets that have not yet been Transferred or Distributed, including the proceeds from Custody Assets that have been liquidated following instructions from the Client. The rate at

which CAI is received by the Company has decreased as Transfers and Distributions of Custody Assets complete and the amount of Custody Assets held reduces.

The receipts and payments account at **Appendix II** confirms that, during the report period, approximately £28.0k of CAI was received (compared to £11.2k in the previous report period) and the JSAs successfully distributed a further £31.8k to Clients. This figure has increased as against the previous report period due to the redemptions and/or dividends payable in the period and additional instructions to sell Custody Assets. Please note, the amount distributed is higher than the amount received as some of the CAI distributed would have been received in earlier periods.

Since the start of the Special Administration, the JSAs have received and Transferred or Distributed approximately £70 million of CAI across eight currencies. The JSAs are currently holding approximately £13.2k of CAI for 64 Clients (previously £16.9k for 55 clients). Most of these Clients have yet to provide details of where their CAI should be transferred and, where applicable, the remaining CAI will be transferred to Clients' new brokers when their Custody Assets are transferred.

Where Custody Assets have matured and converted to CAI, the cash will remain subject to the original (i) Transfer to the respective Nominated Broker or (ii) Distribution instructions provided by the Client.

**Clients who have not yet provided instructions are strongly urged to contact client services on 0207 397 2586 or, alternatively, by email at [clientservices@reyker.com](mailto:clientservices@reyker.com).**

#### **5.1.4 Non-Returnable Client Custody Assets**

Non-Returnable Client Assets are securities which the JSAs have determined cannot be Transferred or otherwise Distributed for legal or practical reasons. For example, these may relate to securities that have been delisted from a public stock exchange or companies that may be subject to an insolvency process or dissolved. These assets are marked as Non-Returnable Client Assets on the respective Clients' CARS (subject to the stock being identified as Non-Returnable prior to the CARS being issued). **Appendix VII** shows a list of the Custody Assets now designated as Non-Returnable and the reason, in brief, why they have been designated as Non-Returnable.

Reyker currently hold approximately 165 different Non-Returnable Client Custody Assets for circa 2,664 Clients.

The JSAs are continuing to monitor the status of each stock line recorded on [www.reykeradmin.com](http://www.reykeradmin.com) to ensure that stocks that cannot be transferred have been correctly recorded as Non-Returnable. The number of Non-Returnable Client Assets may, therefore, increase over time.

Should any realisations be received in relation to any Non-Returnable Custody Assets this will be accounted for and passed onto the underlying Client in accordance with the Distribution Plan.

In preparing for the closure of the special administration of Reyker, the JSAs will review the Non-Returnable Custody Assets held to determine whether there is likely to be any future realisation from those assets. In most instances, no further realisations are anticipated. However, in circumstances where it appears to the JSAs that it is likely there will be a future realisation from the Custody Assets for the benefit of Clients, the JSAs will take such steps that they consider are reasonable and proportionate to try to ensure that any future realisations are assigned directly to the Client holding the asset.

Should any Client wish to receive further information about a Non-Returnable Custody Asset held for them please contact 0207 397 2586 or email [clientservices@reyker.com](mailto:clientservices@reyker.com).

## **5.2 Distribution of Client Money (Objective 1)**

The JSAs undertook a separate distribution of Client Money (being cash held for Clients as at 8 October 2019 and collectively known as the CMP) under the FCA's Client Money Distribution and Transfer Rules (as set out in CASS 7A) which, unlike the Distribution Plan for Custody Assets, was not subject to Court approval (and the associated additional requirements and time).

Following completion of the JSAs' Reconciliation and Soft Bar Date process, the total sterling value of the CMP at the date of appointment was approximately £57.6 million which was held for 9,192 Clients across 11,842 client plans.

### **5.2.1 Third and final distribution**

During Summer 2023, a third and final distribution of Client Money was declared and paid to the majority of FSCS Protected Claimants (who had submitted a claim and valid CMIF) in advance of a Hard Bar Date. Over the last six months, the JSAs have continued to process further distributions of Client Money as and when the requisite action has been completed by either the respective Client or receiving broker.

The following table provides a summary of the percentage of the CMP by value that has now been distributed or, alternatively, remains under the JSAs' control pending further Client action.

Category	CMP value		Previous report	
	£'000	%	£'000	%
Completed distributions	56,406	97.90	56,325	97.76
In progress distributions	15	0.03	15	0.03
Funds retained from distributions	618	1.07	624	1.08
Unclaimed	551	0.96	579	1.00
Claimed but no instructions	28	0.05	75	0.13
<b>TOTAL</b>	<b>57,618</b>	<b>100.00</b>	<b>57,618</b>	<b>100.00</b>

The JSAs would highlight:

- Circa £56.41 million of Client Money has been distributed to Clients (previously £56.32 million), being circa 98% of the total CMP value (with circa £81k being distributed in this report period);
- Of the 9,192 Clients who held Client Money, 8,133 Clients (88%) have now received their respective share of Client Money in full, without deduction for costs as a result of the FSCS compensation and funding arrangements under the FSCS Compensation Deed (previously 8,117 Clients);
- There are 732 Clients (previously 741) that have not yet submitted a Claim to Client Money representing, according to Company records, circa £551k of the CMP (previously £579k). It is worth noting that the percentage of Clients who are yet to submit a claim is higher by number of total Clients (circa 8%) than by value of the CMP (circa 1%) as the unclaimed balances are often very small amounts. Approximately 80% of these Clients have a claim of less than £100.
- The JSAs have not been able to process all the instructions received to date due to the reasons set out in previous progress reports (such as Clients needing to verify their designated bank account or take further action to complete a distribution to their designated broker);
- It remains necessary to retain circa £618k of the CMP (for 34 Clients) until such time that a Hard Bar Date is set and passed and the CMP has been closed to new or increased claims on account of the respective Clients not being FSCS Protected Claimants or, alternatively, FSCS Protected Claimants whose respective share of costs exceed the compensation limit; and
- The JSAs still require distribution instructions to be submitted for circa £28k of the CMP (previously £75k) which is held by 236 Clients (previously 240) who have submitted a claim but not a CMIF. This is a significant decrease (by value) on the last period as distribution instructions were finally received from one Client with a claim of £45k.

During the period, the amount of unclaimed Client Money was reduced by circa £28k (from £579k to £551k). During the last report period, the amount of unclaimed Client Money was reduced by £75k.

The JSAs, their staff and the client services team will continue to liaise with Clients, brokers and/or executors who either provide additional information or, alternatively, take further action for Client Money distribution(s) to be completed. Clients should note that, as we are close to the end of the Client Money distribution process, with almost 98% of the CMP having been returned to Clients and a Hard Bar Date application being prepared, progress in future reporting periods by value of the CMP will appear relatively low when compared to earlier periods.

## 5.2.2 Non FSCS Protected Claimants

As previously reported, Clients that are either not FSCS Protected Claimants or, alternatively, FSCS Protected Claimants whose respective share of costs exceed the compensation limit could not receive any further Client Money as part of the third and final distribution as the sums previously retained from prior distributions are required to meet the respective Clients' share of the estimated distribution costs. There has been no change to this position during the report period.

Notwithstanding this, the JSAs still anticipate a small and final balance of Client Money may be paid to such Clients once the CMP has been closed to all claims and the total cost of the Client Money distribution finalised; particularly in circumstances where any Client Money which is unclaimed by the Hard Bar Date may be applied against such costs.

### **5.2.3 Closing the CMP**

We have previously reported that the most effective way to close the CMP to new claims is for the JSAs to make an application to Court to set a Hard Bar Date, being a final date by which any claims to Client Money must be made by any party.

In order for the Court to make a Hard Bar Date order, it needs to:

- i. be satisfied that the JSAs have taken all reasonable measures to identify and contact persons who may be entitled to the return of Client Money; and
- ii. consider that if a Hard Bar Date is set there is no reasonable prospect that the JSAs will receive claims for the return of Client Money after that date". The JSAs have been advised that these tests set a very high legal threshold.

The JSAs have been keen to close the CMP, however, as detailed above, we received 9 new claims to Client Money during the report period (being a run rate of 1.5 new claims per month). This is the same as the previous six-month reporting period.

The JSAs consider that, given the advanced stages of both the Client Money and Custody Asset Transfer and Distribution process, an application to Court for a Custody Asset Hard Bar Date and Client Money Hard Bar Date could be made at the same time. As noted above, the JSAs legal team have prepared an outline application to court for the setting of a Hard Bar Date and the JSAs are currently proposing to file an application in the second half of 2026, assuming there is no significant change in circumstances.

### **5.2.4 Required Client action**

Clients who are yet to submit a claim to Client Money and/or their CMIF or, alternatively, still need to update a previously submitted 'hold' instruction (dating back to 2020) should either log on to the Portal or contact client services as soon as possible to provide their instructions.

Additional information as to how to access the Portal and submit your CMIF is available on the Website.

Should you have any queries, please contact Client Services on 0207 397 2586 or by email at [clientservices@reyker.com](mailto:clientservices@reyker.com).

**Please note, Clients that are yet to submit their claim to Client Money are encouraged to urgently engage with the process, even if they consider their Client Money balance to be relatively small, as the JSAs intend, in due course, on making an application to court to set a Hard Bar Date, after which Clients who have not submitted their claim will lose their rights to claim Client Money in the CMP.**

## **5.3 Operations (Objective 1)**

### **5.3.1 Maintaining critical operations and monitoring costs**

The JSAs continue to maintain all critical operations required to achieve the maintenance and return of Client Assets as expediently as possible whilst monitoring and reducing the associated cost base where possible. There was no change to the number of employees and/or third-party contractors retained by the JSAs during the period, with one, full time employee and one, part-time third-party contractor continuing to assist the JSAs and their staff.

### **5.3.2 Sanctions checking**

Due to the current political situation and the changing list of persons or entities subject to sanctions by the UK, EU or USA, the JSAs must check any beneficiary of a payment or Transfer or Distribution of Client Assets against the current sanctions list within 24 hours of executing the Transfer or Distribution. The JSAs are utilising a third-party commercial operator for the process of sanction checking.

## 5.4 Communications (Objective 1)

### 5.4.1 Communications with Clients & intermediaries

During the reporting period, the JSAs have continued to liaise with Clients and intermediaries (such as Investment Managers and IFAs) by a range of different methods. This has included issuing communications by post or email, operating the Website and maintaining a dedicated email address and telephone line for Client queries.

This work has included (but not limited to) assisting:

- Clients who were still required to nominate their own choice of broker or bank account to receive Custody Assets and CAI and had not yet done so;
- Liaising with Clients who may prefer for their Custody Assets to be liquidated (following modifications to the Distribution Plan); and
- Searching probate records for any Clients with unclaimed Client Money to try and identify whether any had passed since the beginning of the Special Administration and the respective executor(s)' or next of kin(s)' contact details.

This work, in addition to general Client queries, meant the client services team (assisted by the JSAs' staff):

- completed over 200 inbound and outbound calls with Clients; and
- reviewed and responded (where necessary) to more than 600 emails from Clients or their receiving brokers.

The dedicated Website has continued to be updated on a periodic basis when there are significant developments to report.

**The JSAs would remind Clients to remain vigilant and to exercise caution when dealing with correspondence regarding the Special Administration of the Company. If you are in any doubt regarding the authenticity of any correspondence you may receive, please do not hesitate to contact client services at [clientservices@reyker.com](mailto:clientservices@reyker.com) or on 0207 397 2586.**

### 5.4.2 Client Claim Portal and Client data

The Portal and [reykeradmin.com](http://reykeradmin.com) (the bespoke, cloud-based software platform developed by the JSAs during the Special Administration) continues to be maintained to collate, record and process Client instructions.

Additional programming and development requirements during the period were much reduced and, accordingly, there has been less expenditure to our two main contracted IT suppliers. Work in the period included (but was not limited to):

- Further review and consolidation of data within the back-end of [reykeradmin.com](http://reykeradmin.com) and limiting the number of services (and therefore the cost) being utilised within Microsoft Azure (insofar as possible); and
- Periodic testing of robustness and usability of back up data (including source code) saved to third party provider as part of the JSAs' disaster recovery planning.

Such work has been undertaken with a view to future cost savings and preserving data integrity and security.

All Client data continues to be held in accordance with relevant data protection regulations within secure, cloud-based systems and, where appropriate, shared with the FSCS to facilitate the increasing volume of information requests being received in respect of alleged mis-selling and negligence claims (which are dealt with separately to Clients' claims regarding the cost of returning Client Assets but subject to the same compensation limit of £85,000 per FSCS Protected Claimant).

### 5.4.3 Liaising with the Creditors' Committee

The JSAs continued to liaise with members of the Creditors' Committee in the period. The last formal meeting of the Committee was on 26 September 2024, however, written updates have been sent with our six-monthly progress reports. The Creditors' Committee continues to have four members, which remains compliant with the Regulations. Notwithstanding the periodic updates and bilateral communications, the members of the Creditors' Committee may request a meeting at any time.

### 5.4.4 FSCS eligibility reviews

The JSAs have continued to work closely with the FSCS to ensure that as many eligible Clients as possible receive compensation and that their share of costs relating to the Transfer or Distribution of Client Assets will be paid direct to the JSAs (under the FSCS compensation deed) without the need for Clients to submit a claim to the FSCS themselves.

Such a process means that, for more than 99% of Clients:

- their Custody Assets have or will Transfer to a Nominated Broker (or be Distributed to a broker of their own choosing) in whole and without the need for the JSAs to liquidate their holdings to meet their Share of Costs; and
- their Client Money will be returned in full and without deduction for their respective share of the costs of distributing the CMP.

The above is subject to an FSCS Protected Claimant's total claim for compensation not exceeding £85,000.

#### **5.4.5 Data Subject Access Requests ("DSARs")**

During the report period, the JSAs have received and responded to a further 12 DSARs. The JSAs have complied with the relevant legislation and addressed each DSAR that has been received in a timely manner.

The DSARs principally relate to matters occurring prior to the Special Administration and are commonly from claims management companies or intermediary solicitors engaged on behalf of the respective Clients. There have been no claims made against the Company from the information provided in response to these DSARs.

#### **5.4.6 Tax certificates and transfer forms**

During the reporting period, the JSAs continued to issue tax certificates (where specifically requested by Clients or their Investment Managers) and transfer forms in respect of the Transfer and Distribution of Custody Assets and Client Money to new brokers.

### **5.5 Objective 2 – Engagement with market infrastructure bodies and the Authorities**

#### **5.5.1 Financial Conduct Authority**

The JSAs continue to liaise with the FCA in relation to Client positions, regulatory compliance matters, the Transfer and Distribution of Custody Assets, the Client Money distribution, statutory reporting requirements, Client communications, the Long Stop Date Notice and the overall strategy for achieving the Objectives and bringing the special administration to an end. The Company remains an FCA authorised entity and, where still required, is compliant with its regulatory requirements.

#### **5.5.2 Financial Services Compensation Scheme**

The JSAs continue to work closely with the FSCS to ensure that Clients' interests are protected and to assist the FSCS where appropriate.

Other, Objective 1, matters which the JSAs are liaising with the FSCS about include:

- Client positions and progress on the agreement and submission of claims to Client Assets;
- Progress with regard to the Transfer of Custody Assets to the Nominated Brokers and Distributions for those Clients that either opted out or did not have a Nominated Broker for their investments (including CTF Clients);
- Progress with regard to problematic and difficult to Transfer Custody Assets;
- Progress of the Client Money distribution and the JSAs' strategy for closing the CMP;
- Funding under the FSCS Compensation Deed;
- Negligence, mis-selling and other claims asserted by Clients and responding to the FSCS' requests for further information regarding Client positions and the nature of services provided (with 15 requests in this report period); and
- Committee matters.

### **5.6 Objective 3 – Rescue the investment bank as a going concern or wind it up in the interests of its creditors**

As a result of the Company's indebtedness, it was not possible to rescue the Company as a going concern and the JSAs have focussed on winding up the Company's affairs in the best interests of its Clients and Creditors.

During the report period, the JSAs have:

- i. Monitored the requirement for the remaining employee whilst complying with employment law;
- ii. Regularly assessed the requirement for various IT systems and suppliers and cancelled services where possible;

- iii. Complied with statutory reporting requirements;
- iv. Maintained relevant insurance policies for the business, its employee, the public and the Company's House Assets;
- v. Further to the assignment of the Company's claims against third parties, assisted the assignee with the pursuit and enforcement of such claims where appropriate and reserving and enhancing Reyker's residual financial interest in the claim;
- vi. Continued to realise House Assets (see section 6); and
- vii. Worked with tax advisors at S&W to complete the requisite post special administration tax filings.

In addition to the above, we previously reported that the Company was named as one of three Respondents in an Unfair Prejudice Petition application relating to matters occurring prior to the Special Administration. It is not appropriate to provide any further details of the claim, its merits, prospects, or the Company's response in this report save that dealing with the matter will incur additional time costs but the JSAs consider it likely that any award made against the Company (should any award be made) would be an unsecured claim and would not disrupt the transfer or distribution of Client Assets.

Clients and Creditors are reminded that the orderly winding down of the Company will be undertaken by way of a phased series of events and will not be completed until such time that Objective 1 has been achieved. This is because until such time that all possible Client Assets have been returned, the Company's operations critical to the achievement of Objective 1 need to remain in place and, therefore, the Company cannot yet be liquidated or dissolved.

## **5.7 Concluding the special administration**

During the report period the JSAs have continued to consider the overall strategy and potential timeframe for concluding the Special Administration and this has included consulting with their legal advisors, the FCA, FSCS, the Official Receiver and members of the Creditors' Committee.

As previously noted, the JSAs issued the Long Stop Date Notice on 1 April 2026 to set a Long Stop Date of 5 June 2026 in relation to Client Custody Assets.

Once the Long Stop Date has passed, and if no other material issues arise, the JSAs intend to prepare an application to Court for a Hard Bar Date for Client Money and, subject to legal advice, Custody Assets.

We currently consider the Hard Bar Date application will be submitted to Court during the second half of 2026 and, therefore, allowing some time for the steps necessary to close the CMP thereafter, 2027 is a realistic timescale to conclude the distribution of Client Assets and, subsequently, the special administration.

The JSAs have continued to liaise with their legal advisors, the FSCS and the FCA to ensure that the Custody Asset and Client Money strategies represent the best and most proportionate outcome for all stakeholders.

### **5.7.1 Custody Assets**

Once the Long Stop Date has passed the JSAs are released from any further obligations under the Distribution Plan to return Custody Assets and will take steps to liquidate any realisable Custody Assets held.

Certain Custody Assets have been designated Non-Returnable, a schedule of which can be found at **Appendix VII**. This is generally due to an insolvency event in relation to the investment asset or the dissolution of the issuer. Such Custody Assets continue to be notionally held by Reyker, although they may be deemed valueless. The JSAs continue to monitor Non-Returnable Custody Assets to assess whether any further steps may be taken to return these Custody Assets to Clients.

### **5.7.2 Client Money**

It remains the intention of the JSAs to apply to Court for a Hard Bar Date as part of the process of closing the CMP. The JSAs are liaising with the FCA in respect of their proposed strategy and anticipate requesting orders from the Court to allow for:

- any Client Money that has been claimed by Clients, but where the distribution of such funds has not been possible by the time the JSAs are in a position to vacate office (e.g. due to a CMIF not being returned or unverified bank details), to be passed to the unclaimed dividends department of The Insolvency Service (a government body which will safeguard such money until such time that the respective Client engages); and
- any CAI, where the distribution of such funds has not been possible by the time the JSAs are able to vacate office (e.g. due to distribution instructions not being returned or unverified bank details), to be passed to the unclaimed dividends department of The Insolvency Service.

Affected Clients would therefore be able to apply to The Insolvency Service directly for the payment of these funds in the future following the closure of the special administration.

In addition, the JSAs presently anticipate seeking the required orders and consents for:

- any *unclaimed* Client Money in the CMP at the Hard Bar Date (i.e currently the amount of £551k) to be applied towards the general costs of returning Client Money in line with CASS with a view to reducing the overall costs borne by the FSCS and any Clients that are not FSCS Protected Claimants.

The JSAs understand that Clients who do not submit a claim to Client Money before the Hard Bar Date, may still be able to apply to the FSCS under their compensation scheme in the future and that the FSCS will consider each such application on its merits and in line with the rules set by the UK financial services regulators.

The above strategy would see FSCS Protected Claimants receive 100% of their Client Money (subject to their respective share of costs for both Client Money and Custody Assets not exceeding £85,000) and all funds held within the CMP accounted for and distributed to enable the closure of the special administration. This strategy remains subject to Court approval and requires the co-operation of other counterparties and alternative strategies remain under consideration.

## 6. House Assets

This section provides an update on House Asset realisations for the benefit of Creditors during the period of this report.

House Assets are those owned by the Company as opposed to those held on trust for its Clients. Such work constitutes pursuing Objective 3 of a special administration.

### 6.1 Investments

During the report period, no further amounts were realised in respect of the Company's investments. Total realisations in this regard remain £107,657, however, additional (but likely immaterial) amounts may be realised in future periods.

### 6.2 Credit interest

During the reporting period gross bank interest of £11,199 was received; being interest accrued on funds held within the House estate and on Client Money balances. In accordance with standard practice predating the Special Administration and the Company's terms of business, interest accrued upon Client Money is an asset of the Company and deposited to an account held in its own name (as opposed to Client accounts). Gross credit interest received to the House estate during the Special Administration now totals £166,802.

### 6.3 Claims against third parties

Further to the assignment of claims against third parties, the JSAs continue to assist the assignee with the pursuit and enforcement of such claims where appropriate. The House estate is due to receive deferred consideration (in addition to the £25,000 already received) based on net realisations. These will be reported to creditors as they are received.

### 6.4 Other Assets

Save for the above assets, the JSAs do not envisage any additional realisations regarding any other House Assets.

Please refer to previous reports and the JSAs' receipts and payments account at **Appendix II** for further information.

## 7. Receipts and payments

Attached at **Appendix II** is the JSAs' receipts and payments account covering the six-month reporting period, being from 8 October 2025 to 7 April 2026 and the cumulative total for the Special Administration.

The summary separates out the receipts and payments in respect of the House Accounts (being the estate for the benefit of Creditors) and Objective 1 operation accounts (which are used to defray the costs associated with returning Client Assets), which includes the segregated FSCS Trust Account for funds being advanced under the FSCS Compensation Deed.

The JSAs also enclose a separate receipts and payments account in respect of the Client Money balances held in the CMP and Post-Pooling Accounts. Any CAI received following the JSAs' appointment is segregated in the Post-Pooling Accounts.

The summaries are largely self-explanatory, however, the JSAs would comment in respect of the most significant receipts and payments as follows:

## **7.1 Receipts**

### **7.1.1 Objective 1 – FSCS Trust Account**

During the reporting period, a further £958k was advanced under the FSCS Compensation Deed to defray the associated costs of pursuing Objective 1. At the end of the report period, there is a balance to hand of circa £787k and the total amount now drawn under the Deed is £23.8 million.

### **7.1.2 Objective 1 - Share of Costs Collection Account (Custody Assets)**

The JSAs did not realise any further contributions from Clients who are not FSCS Protected Claimants and still to pay their Share of Costs for returning Custody Assets. The total Share of Costs received from non FSCS Protected Claimants to date remains £47,500.

These funds have been segregated from the FSCS Trust Account and will be allocated towards the final costs of returning Custody Assets in due course.

### **7.1.3 House Accounts**

House realisations totalled £11,199 during the period. Details regarding the more significant realisations are included at section 6.

### **7.1.4 CMP and Post Pooling Accounts**

The JSAs continue to segregate any CAI in the requisite Post Pooling Accounts. The Client Money receipts and payments account at **Appendix II** confirms the amount of CAI received during the report period and the amounts of Client Money and CAI returned for each currency.

## **7.2 Payments**

### **7.2.1 Objective 1 – FSCS Trust Account**

In pursuing Objective 1, it has been necessary to maintain critical operations to assist with the Transfer and Distribution of Custody Assets. Such expenses are defrayed from advances of compensation due to FSCS Protected Claimants under the FSCS Compensation Deed.

Key payments made during the reporting period from the segregated FSCS Trust Account include:

- Agent fees totalling £776 plus VAT (up from £645 plus VAT), which solely related to payroll services provided by MHR International UK Ltd;
- Staff costs totalling £55,156 (previously £54,792), including net salaries, PAYE & NIC and pension contributions. Additional staff benefits and expenses have also been paid in the sum of £1,231 (previously £1,132);
- IT supplier fees totalling £10,228 (previously £19,977), including payments to Manresa (contracted developer) and Fusion (outsourced IT data and maintenance provider);
- Custody fees of £20,102 (previously £17,509) to the custodians who continue to hold Custody Assets for the benefit of the Company's Clients until such time that they can be Transferred or Distributed. This included payments to CACEIS (formerly Kas Bank) and Aegon Co-funds whose services are required to hold and settle share Transfers and Distributions electronically. Please note, this is higher than in the last reporting period as CACEIS invoiced for charges relating to the prior reporting period during this period;
- Necessary statutory costs totalling £22,102 (previously £21,514) in respect of outsourced printing and postage for mass Client communications. This principally relates to the largescale circular to all Clients providing notice of the preceding progress report being available on the Website or, alternatively, upon request from client services;
- Telephone charges of £2,746 which relates to the annual charge for the Company's cloud-based phone system which hosts the Clients' customer service number, call groups and internal extensions.

- Irrecoverable VAT of £84,751 (previously £84,048). The Company is not VAT registered and so VAT paid on the necessary costs of the Special Administration cannot be recovered.

Further detail in respect of the JSAs' own fees and their agents and advisors is included in sections 9 and 10 below.

## 7.2.2 House Accounts

There were no payments during the reporting period from the House estate.

## 7.2.3 CMP and Post Pooling Accounts

During the report period, the JSAs continued to process Client Money distributions as well as completing further Transfers and Distributions of CAI to the Nominated Brokers and those designated by opt-out Clients and Clients without a Nominated Broker respectively.

Although dividends, coupon payments or mandatory 'kick-out' redemptions should now be paid by the paying entity to the new broker (e.g. James Brearley) following any Transfer or Distribution of Custody Assets, the Special Administration will continue to receive CAI in respect of Custody Assets that continue to be held by the Company on trust for Clients or, perhaps, where a dividend or redemption was declared shortly prior to the respective asset being registered in the name of the new nominee entity.

The JSAs continue to undertake sweeps of CAI to the Nominated Brokers on a periodic basis. CAI due to be distributed elsewhere (i.e. other than to the Nominated Brokers) will be distributed simultaneously with Custody Assets to the same new Client designated broker through the Distribution process or by occasional sweeps if the funds were received after the Transfer or Distribution of Custody Assets or otherwise as soon as possible.

The Client Money receipts and payments account at **Appendix II** confirms that, during the report period:

- Approximately £81k of Client Money was distributed from the CMP; and
- Circa £32k of CAI was successfully Transferred or Distributed from the segregated post-pooling accounts (being the net balance of CAI Transferred or Distributed and returned Transfers or Distributions).

# 8. Estimated outcome for Clients and Creditors

## 8.1 Clients

The Distribution Plan sets out the basis and methodology for allocating the costs incurred by the JSAs in pursuing Objective 1 for Custody Assets. The Distribution Plan estimates that Clients will be charged a fixed fee of no more than £2,500 in respect of the Transfer of their Custody Assets, however, this will be capped to the lower of the fixed fee or the value of a Client's Custody Assets as at 8 October 2019.

Costs for dealing with the CMP will be levied proportionately as a percentage of each Client's Client Money balance. As previously reported, it is anticipated such costs will be up to 12% of the CMP, however, this remains subject to Client behaviours.

Whilst these costs may be deducted from the respective Client Assets in accordance with the Regulations and CASS, more than 99% of Clients qualify for FSCS compensation and, therefore, other than a very small number of exceptions, **Clients will not have to meet these costs (as they will be settled by the FSCS) and will receive a full return in respect of their Custody Assets and Client Money.**

## 8.2 Secured creditors

The Company granted security conferring both fixed and floating charges to NatWest on 4 April 2016. NatWest has submitted claims against the Company totalling £8,876.

Given the limited House Asset realisations and the level of costs incurred in relation to Objective 2 and Objective 3 matters, the JSAs consider it is unlikely a distribution will be paid to the secured creditor.

### 8.3 Preferential creditors

The only categories of claims with preferential status in the Special Administration are those in relation to employee entitlements for arrears of salary (up to £800) and any accrued but unpaid holiday entitlements. Such claims are first met and paid (up to certain statutory limits) by the RPS, a government department within the Department for Business, Energy and Industrial Strategy, who will then have a subrogated preferential claim in the Special Administration.

Given the level of costs incurred in relation to Objective 2 and Objective 3 matters, the JSAs consider it is unlikely a distribution will be paid to preferential creditors.

### 8.4 Unsecured creditors

Unsecured creditor claims are broadly split into three categories:

1. Client shortfall claims, which arise from any shortfall of Client Money or Custody Assets;
2. Client claims in respect of breach of contract, negligence or mis-selling; and
3. Ordinary unsecured creditors, which include the claims of trade creditors, HMRC and employees' non-preferential claims (to include the subrogated claim of the RPS and any employees with residual unsecured claims).

The Company's Clients (as per categories one and two above) may have recourse to claim compensation for any shortfall in Client Assets or breach of contract or negligence through the FSCS subject to eligibility and the overall statutory limit of £85,000 per claimant. The FSCS will, however, be entitled to submit a subrogated unsecured claim in respect of any compensation paid to the Clients in respect of these claims.

The JSAs' Proposals estimated that claims arising in respect of ordinary unsecured creditors (as per category three above) will total approximately £1.2 million. To date, claims received from Creditors total circa £1.1 million.

The JSAs have not undertaken the adjudication of unsecured creditor claims because, given the limited realisations from House Assets and the level of costs incurred in relation to Objective 2 and Objective 3 matters, the JSAs consider it is very unlikely a distribution will be paid to unsecured creditors.

### 8.5 The Prescribed Part

The Regulations and Rules provide that, where a company has granted a floating charge either on or after 15 September 2003, there is a provision for a share of the Company's net property to be set aside for distribution to unsecured creditors in priority to the floating charge holder. These funds are referred to as the Prescribed Part.

Given the level of costs incurred in relation to Objective 2 and Objective 3 matters, the JSAs consider it is very unlikely there will be a Prescribed Part distribution to unsecured creditors.

## 9. The JSAs' remuneration

### 9.1 Bases for fixing the JSAs' remuneration

The JSAs are entitled to receive remuneration for services given in respect of:

- Objective 1, which will be paid out of Client Assets (subject to FSCS compensation not being received in respect of a respective Client's Share of the Costs); and
- Objective 2 and Objective 3, which will ordinarily be paid out of the Company's House Assets.

The Creditors' Committee approved that the basis of the JSAs' remuneration in pursuit of Objectives 1, 2 and 3 be fixed by reference to the time properly given by the JSAs and their staff in attending to matters arising in the Special Administration by way of resolution on 20 April 2020.

### 9.2 The JSAs' time costs to 7 April 2026

The JSAs' total time costs, broken down by each reporting period, are as follows:

Period	Total hours hrs	Total costs £	Average hourly rate £/hr	Fees drawn £
8 October 2019 to 7 April 2020	3,890	1,688,609	434	-
8 April 2020 to 7 October 2020	4,084	1,816,337	445	249,432
8 October 2020 to 7 April 2021	3,374	1,657,004	491	2,891,411
8 April 2021 to 7 October 2021	2,428	1,207,172	431	2,145,118
8 October 2021 to 7 April 2022	2,931	1,369,338	467	224,370
8 April 2022 to 7 October 2022	1,906	905,030	475	752,009
8 October 2022 to 7 April 2023	1,385	806,754	582	2,205,456
8 April 2023 to 7 October 2023	1,132	679,778	600	774,968
8 October 2023 to 7 April 2024	888	583,892	658	647,855
8 April 2024 to 7 October 2024	711	490,456	690	Nil
8 October 2024 to 7 April 2025	566	373,185	659	984,603
8 April 2025 to 7 October 2024	620	416,176	671	328,551
8 October 2025 to 7 April 2026	673	466,590	693	357,378
<b>TOTAL</b>	<b>24,589</b>	<b>12,460,322</b>	<b>507</b>	<b>11,561,151</b>

During the report period, the JSAs have incurred time costs of £466,590 (which includes costs of dealing with Client Money, Custody Assets and House Assets) which represents 673 hours at an average charge out rate of £693 per hour.

**Appendix III** provides a detailed analysis of the JSAs' time costs incurred during the reporting period by reference to the grade of staff used and work done. The information is provided in accordance with SIP 9. A detailed narrative of the tasks undertaken in respect of each work activity is also set out within **Appendix III**.

Also included at **Appendix IV** is a cumulative time analysis for the period from 8 October 2019 to 7 April 2026 which provides details of the JSAs' total time costs since appointment, totalling £12,460,322.

### 9.3 JSAs' remuneration drawn to date

During the report period, a total of £357,378 plus VAT was drawn from the FSCS Trust Account which relates to time costs in respect of Objective 1. No remuneration was drawn from the House estate.

Total remuneration drawn by the JSAs as at the end of this report period is circa £11.6 million plus VAT, which all relates to time incurred in respect of Objective 1 and paid from the FSCS Trust Account. Of this, £249,432 was initially paid from the CMP, however, this was reimbursed from the FSCS Trust Account during a prior reporting period.

### 9.4 Further information on the JSAs' remuneration

Creditors should be aware that some of the work is required by statute and may not necessarily provide any financial benefit to creditors. Examples would include dealing with former employees' claims through the Redundancy Payments Service and providing information relating to the company and its former officers as required by the Company Directors' Disqualification Act 1986.

A Creditors' and Clients' guide to the JSAs' fees can be found on the website [www.ips-docs.com](http://www.ips-docs.com) or, alternatively, <https://www.swgroup.com/services/restructuring-and-recovery-services/reyker-securities-plc/>. Should you require a paper copy please email [clientservices@reyker.com](mailto:clientservices@reyker.com) or telephone 020 7131 4934 and it will be sent to you at no cost.

In common with many professional firms, our scale rates rise to cover annual inflationary cost increases. With effect from 1 January 2026 our rates have increased. Rate reviews will be carried out annually.

Details of S&W Partners' charge out rates (including any changes during the period) along with the policies in relation to the use of staff are provided at **Appendix VI**.

We have no business or personal relationships with the parties who approve our fees.

## 10. The JSAs' expenses

This section provides details of the JSAs' expenses. Expenses are amounts properly payable by us as the JSAs from the estate.

The table(s) should be read in conjunction with the receipts and payments account at Appendix II which shows expenses actually paid during the period and the total paid to date.

### 10.1 Professional advisors' and agents' fees and expenses

During the course of the Special Administration to 7 April 2026, the JSAs have engaged the following professional advisors and agents. The following table confirms the basis of our fee arrangement with each of them which is subject to review on a regular basis.

Period	Services	Basis of fee arrangement
Arthur Financial Ltd	IT recruitment	Fixed fee
Bartlett & Co. Ltd	Insurance brokers	Fixed fee
CAPA	Business rates review	% of realisations
Claret Recruitment Ltd	Recruitment	Mark up on contractors' time
ERA Solutions Ltd	Employee claim assistance	Fixed fee / employee
Farrer & Co LLP	Legal advice	Time costs plus disbursements
Foot Anstey LLP	Legal advice	Time costs plus disbursements
Fourthline Ltd	SAR and CASS agent recruitment	Mark up on contractors' time
Fusion Technology Solutions Ltd	IT support	Fixed fee under service agreements
Hilco Appraisal Ltd	Valuation of the Company's physical assets	Fixed fee plus disbursements
Marsh	Insurance brokers	Fixed fee
MHR International UK Ltd	Payroll services	Fixed fee / employee
Ogier (Luxemburg) SCS	Legal advice regarding Argento loan notes	Time costs plus disbursements
Ogier (Cayman) LLP	Legal advice regarding Argento loan notes	Fixed fee
SAR experienced consultants and other independent contractors (incl. Granite Star Consultancy Ltd.)	Assistance with the audit, reconciliation and return of Custody Assets and Client Money	Time costs
Seneca Partners Ltd	Marketing and assistance with negotiating a sale of the business and assets	Time costs plus disbursements
South Square	Legal counsel	Time costs plus disbursements
Twenty Recruitment Group	IT recruitment	Mark up on contractors' time

At **Appendix V** is a schedule confirming the extent of expenses incurred by the JSAs' instructed professional advisors and agents during the period (as well as cumulatively since appointment), including whether they have been incurred in respect of pursuing Objective 1 and/or Objectives 2 & 3, together with confirmation as to whether those amounts have been paid or remain unpaid.

The JSAs can confirm that the choice of agents and advisors and the basis of their fees was based on factors including, but not limited to, their experience, the complexity of the assignment and their geographic location and that each are third party entities.

The JSAs and their firm do not have any association with any external provider of services and, therefore, they do not fall within the definition of an associate as defined in Section 435 of the Insolvency Act 1986 and in SIP 9. Payments to external professional advisers for the services they provide are, therefore, not a category 2 expense (as defined within SIP 9) and do not require prior approval from the Creditors' Committee.

## 10.2 Other expenses (category 1 and category 2)

From time to time it may be necessary for S&W Partners to pay directly for certain expenses relating to the work being undertaken. The JSAs are permitted to charge and recover such disbursements which are classified as either category 1 or category 2 expenses.

Category 1 expenses are expenses paid by S&W Partners to third parties and are recoverable without approval.

The following table sets out the category 1 expenses incurred and paid during the period:

Description	Obj. 1 expenses incurred in period £	Obj. 2&3 expenses incurred in period £	Total incurred in period £	Total paid in period £	Total expenses outstanding at period end £
IT suppliers	-	-	-	-	7,763
General suppliers	-	-	-	-	1,297
Travel & sustenance	146	-	146	-	1,270
Staff training costs	-	-	-	-	1,140
Staff equipment & expenses	-	-	-	-	1,933
Courier & postage	-	-	-	-	244
SAGE subscription	-	-	-	-	240
TV licence renewal	-	-	-	-	155
Statutory bond	-	-	-	-	140
Searches & statutory filings	50	-	50	-	395
<b>TOTAL PAID</b>	<b>196</b>	<b>-</b>	<b>196</b>	<b>-</b>	<b>14,577</b>

N.B. (1) - Costs incurred are shown exclusive of VAT.

N.B. (2) - Total costs outstanding may include costs incurred in prior periods, but not yet paid.

Category 2 disbursements are internal expenses incurred by S&W Partners that include an element of allocated costs or a profit element. Category 2 expenses are subject to the same approval as the JSAs' remuneration. The following table confirms no Category 2 expenses were incurred during the period, however, £12,251 remains outstanding from prior periods.

Description	Obj. 1 expenses incurred in period £	Obj. 2&3 expenses incurred in period £	Total incurred in period £	Total paid in period £	Total expenses outstanding at period end £
Smith & Williamson Fund Administration Limited (call centre services)	-	-	-	-	12,251
<b>TOTAL</b>	-	-	-	-	<b>12,251</b>

N.B. (1) - Costs incurred are shown exclusive of VAT.

N.B. (2) - Total costs outstanding may include costs incurred in prior periods, but not yet paid.

In accordance with the Regulations and the Rules, the drawing of Category 2 disbursements is subject to the approval of the Creditors' Committee. At the first meeting of the Creditors' Committee held on 30 January 2020, a resolution was passed approving the extent of Category 2 expenses referenced in the JSAs' Proposals and a subsequent resolution was passed on 22 October 2020 approving the Category 2 expenses in the JSAs' first progress report.

### 10.3 Policies regarding use of third parties and expense recovery

Appendix VI provides details of S&W Partners LLP's policies in relation to the use of subcontractors and professional advisers and the recovery of expenses.

## 11. Ending the Special Administration

Unlike administration, a special administration does not automatically end after 12 months.

The JSAs consider that once the Objectives of the Special Administration have been met it will be concluded by either:

- making an application to the Court under paragraph 79 of Schedule B1 to the Act and seeking any order necessary (which may include a request to place the Company into liquidation); and/or
- filing a notice with the Court and Registrar of the Company's dissolution.

At this stage, it is not possible to provide a definitive timescale for the duration of the Special Administration, although the JSAs presently anticipate that it will be concluded in 2027. Further detail as regards the JSAs' overall strategy is referenced within section 5 of this report.

## 12. Privacy and data protection

As part of our role as JSAs, I would advise you that we may need to access and use data relating to individuals. In doing so, we must abide by data protection requirements. Information about the way that we will use and store personal data in relation to insolvency appointments can be found at [www.swgroup.com/rsgdpr](http://www.swgroup.com/rsgdpr).

If you are unable to download this, please contact my office and a hard copy will be provided free of charge.

To the extent that you hold any personal data of the Company's data subjects provided to you by the Company or obtained otherwise, you must process such data in accordance with data protection legislation. Please contact us if you believe this applies.

## 13. Clients' and Creditors' rights

Clients and Creditors have rights under Rules 201 and 202 to request further information and to challenge the JSAs' remuneration and/or expenses incurred. In summary:

- Within 21 days of the receipt of a progress report, a secured creditor, or an unsecured creditor (with the concurrence of at least 5% in value of the unsecured creditors, including the creditor in question or the permission of the court) or Client (with the concurrence of at least 5% in value of the Client assets including the Client in question) may request in writing that the JSAs provide further information about their remuneration or expenses which have been itemised in the report.
- Any secured creditor or an unsecured creditor (with the concurrence of at least 10% in value of the unsecured creditor including the creditor in question or the permission of the court) or Client (with the concurrence of at least 10% in value of the total claims in respect of Client Assets held by the investment bank, or with the permission of the court or the FCA) may, within 8 weeks of receipt of a progress report, make an application to court on the grounds that, in all the circumstances, the basis fixed for the JSAs' is inappropriate and/or the remuneration charged or the expenses incurred (including any paid) by the JSAs, as set out in the report, are excessive.

The above rights apply only to matters which have not been disclosed in previous reports.

On a general note, if you have any comments or concerns in connection with our conduct, please contact Mark Ford or Adam Stephens in the first instance. If the matter is not resolved to your satisfaction, you may contact our Head of Legal by writing to 45 Gresham Street, London EC2V 7BG or by telephone on 020 4617 5501.

Thereafter, if you wish to take the matter further you may contact the Insolvency Services directly via Insolvency Complaints Gateway. They can be contacted by email, telephone or letter as follows:

- i) Email: [insolvency.enquiryline@insolvency.gov.uk](mailto:insolvency.enquiryline@insolvency.gov.uk)
- ii) Telephone number: +44 300 678 0015
- iii) Postal address: The Insolvency Service, IP Complaints, 3rd Floor, 1 City Walk, Leeds LS11 9DA.

## 14. Next report

We are required to provide a further report on the progress of the Special Administration within one month of the end of the next six-month period unless we have concluded matters prior to this, in which case we will write to all Clients and Creditors with our final report.

## Notes and further information required by SIP 7

1. All House and FSCS Trust bank accounts are interest bearing.
2. Funds received into the Objective 1 accounts from the Repayable Loan Facility and FSCS Compensation Deed may only be used to defray the associated costs of pursuing Objective 1.
3. The Company's own House Assets may be used to defray the associated costs of pursuing Objective 2 and 3 (insofar as realisations permit) with any surplus to be made available to the Company's Creditors.
4. Client Money within the CMP is held separately to both House Assets and the Objective 1 funding account in designated Client accounts and held on trust for Clients. Foreign currency is held in separate, designated currency accounts.
5. Client Money received following the primary pooling event (known as CAI) is held in Post Pooling Accounts and segregated from the CMP, House Assets and the Objective 1 funding account (which holds compensation advanced by the FSCS under the FSCS Compensation Deed). During the period, £5,178 of CAI was received into one of the CMP bank accounts but subsequently swept to a Post Pooling Account to maintain segregation.
6. Unless otherwise stated, all amounts in the receipts and payments accounts are shown exclusive of any attributable VAT. VAT is not recoverable in this matter and, accordingly, where VAT is charged and paid on expenses, it is shown as irrecoverable VAT.
7. During the period, the JSAs were advanced a further £958,508 under the FSCS Compensation Deed. As at the end of the period, funds advanced under the FSCS Compensation Deed total £23.8 million. These funds are an advance of compensation due to FSCS Protected Claimants in respect of their share of the costs of returning Custody Assets and / or Client Money and may only be used to defray the associated costs of pursuing Objective 1 as they fall due.
8. The JSAs' remuneration has been approved by the Committee and remuneration paid to date totals £11.6 million regarding the pursuit of Objective 1. Further information concerning our remuneration is included in the body of the report and at **Appendices III and IV**.
9. Further details of payments made to any of the JSAs' professional advisors or sub-contractors are shown in the body of our report and at **Appendix V**.

## Explanation of major work activities undertaken

### Objective 1: Client Money

#### Storage and back up of client data

- Undertaking work to ensure client data is backed up correctly and appropriate software licences are in place.

#### Client communications

- Drafting website updates.
- Responding to Client queries regarding the distribution of Client Money by post, email and by phone.
- Regular briefing sessions with client services so they are well prepared to assist with the various lines of enquiry being received by Clients and to provide an opportunity to feedback other matters arising from Client queries.
- Drafting formal responses to Client queries escalated by client services as requiring a written response from the JSAs.

N.B. (1) - Costs incurred are shown exclusive of VAT.

N.B. (2) - Total costs outstanding may include costs incurred in prior periods, but not yet paid.

N.B. (3) - Costs are paid from either the FSCS Trust Account (Objective 1), the segregated Argento Legal Costs Collection Account or the House Accounts depending on the nature of work done. All payments during the report period are disclosed in Appendix II.

N.B. (4) - The JSAs' select professional advisers (such as agents and solicitors) on the basis of balancing a number of factors, including (but not limited to) their expertise, the nature of the assignment and fee structures, and that external professional advisers are third party entities. The JSAs and their firm do not have any association with any external provider of services and, therefore, they do not fall within the definition of an associate as defined in Section 435 of the Insolvency Act 1986 and in SIP 9. Payments to external professional advisers for the services they provide are therefore not a category 2 expense (as defined within SIP 9) and do not require prior approval from the Creditors' Committee.

# VI Staffing, charging, subcontractor, and adviser policies and charge out rates

## i. Introduction

This appendix sets out our policies in insolvency cases in respect of the following:

- case team and allocation of case staff;
- minimum time charging units;
- time charged and work done by other S&W Partners LLP departments;
- an explanation of Category 1 and Category 2 expenses in the context of insolvency estates;
- payments to associates including working with other entities within the S&W Partners group;
- the use of subcontractors;
- the selection of professional advisers; and
- charge-out rate tables for the relevant period.

## ii. Case team and allocation of staff

We allocate case staff based on the required skills, experience and availability to meet the requirements of each case.

A typical case team will consist of two or more insolvency practitioners (who will be Partners, Directors, Associate Directors or a Consultant), case manager(s) and other professional staff depending on the size and complexity of the matter. Staff may be located in different offices. When reporting our costs we do so in the following groupings:

- Partner (including Consultants)
- Directors & Associate Directors
- Managers
- Other professional staff
- Support staff

We delegate tasks to suitable grades of staff, taking into account their experience, skills and any specialist knowledge that is needed in order to ensure that work is completed in a cost-effective manner while exercising appropriate control.

More complex matters or those that carry an elevated amount of risk will be handled by more senior staff or the office holders.

All staff working on an assignment (including cashiering and support functions) charge time directly to the assignment. Each grade of staff has an hourly charge-out rate which is reviewed annually.

Cashiering time is allocated according to their staff grade within our time recording system (ranging from Other professionals to Associate Director).

## iii. Time charging units (appointment before 1 August 2020)

- Until 31 July 2020 time was recorded in minimum units of 3 minutes or multiples thereof.
- Since 1 August 2020 time has been recorded in minimum units of 1 minute or multiples thereof.
- We do not charge general or overhead costs.

## iv. Time charging units (appointment on or after 1 August 2020)

- Time is recorded in minimum units of 1 minute or multiples thereof.
- We do not charge general or overhead costs.

## v. Work undertaken by other S&W Partners LLP departments

S&W Partners LLP is a full-service accounting practice and certain matters relating to the insolvent estate may be handled by non-insolvency staff in other departments. This might include services relating to:

- book-keeping and accounting in respect of pre-insolvency matters;
- taxation; and
- forensic accounting and investigations.

These costs are billed by the insolvency practitioners' firm and are therefore treated (and approved as) office-holders' remuneration and can be separately identified in our time cost reporting. They may be subject to separate resolutions/fee decisions where there is a desire to separately identify those costs or charge them on a different basis.

## vi. Expenses

Expenses are any amounts that are paid from an insolvency estate that are not:

- remuneration of the insolvency practitioners; or
- distributions to creditors and/or members.

### Category 1 expenses

These are defined by SIP 9 as:

Payments to persons providing the service to which the expense relates who are not an associate of the office-holder. Category 1 expenses can be paid without prior approval.

### Category 2 expenses

These are defined by SIP 9 as:

Payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as an expense.

## vii. Category 2 expenses / payments to associates

### Reimbursement of mileage at HMRC rates

These are Category 2 expenses as the firm (in the case of company vehicles) or its employees (for use of private vehicles for business travel) receive mileage reimbursement at HMRC approved rates from the insolvency estate.

### Other group entities

The group to which S&W Partners LLP belongs contains a number of different legal entities. On occasions it may be appropriate for other S&W Partners entities to perform services for the insolvency estate. This is most likely where one of these firms has previously undertaken work for a company in members' voluntary liquidation and is concluding tax or accounting work as part of the liquidation.

### Other associates

Payments to any other party who meets the legal definition of an associate of the insolvency practitioners or the firm OR who a reasonable and informed third party might otherwise consider an associate are also Category 2 expenses.

We do not generally engage services from any other party who we consider to be an associate.

Were such circumstances to arise situation specific disclosures would be made and approvals sought when reporting to creditors.

## viii. Subcontractors

We may use subcontractors to perform work which might ordinarily be carried out by us and our staff where it is cost effective to do so and/or where the specific expertise offered by the subcontractor is required.

Any such arrangements will be reviewed periodically to ensure that best value and service continue to be obtained.

## ix. Professional advisers

We select professional advisers such as agents and solicitors on the basis of balancing a number of factors including:

- the industry and/or practice area expertise required to perform the required work;
- the complexity and nature of the assignment;
- the availability of resources to meet the critical deadlines in the case;
- the charge out rates or fee structures that would be applicable to the assignment;
- the extent to which we believe that the advisers in question can add best value and service to the assignment; and
- the expertise and experience of the service provider.

Where appropriate we ensure that the provider holds appropriate regulatory authorisations and professional indemnity insurance and that they are bound by appropriate professional and ethical standards.

Arrangements are reviewed periodically to ensure that best value and service continue to be obtained.

## x. Independence of subcontractors and professional advisers

External professional advisers and subcontractors are usually third-party entities.

The insolvency practitioners and their firm do not normally have any association with any external provider of services and therefore they do not normally fall within the definition of an associate as defined in Section 435 of the Insolvency Act 1986 and in Statement of Insolvency Practice 9.

Payments to subcontractors and external professional advisers for the services they provide are therefore not usually a category 2 expense as defined in SIP 9 and therefore do not ordinarily require prior approval from the committee or creditors.

## xi. Rate tables

Details of the rates applying during the current reporting period and the dates from which they were effective is provided below.

Rates applying at the time of seeking approval of remuneration and/or in prior accounting periods were included in our previous reports.

All rates are reviewed annually and changes take effect on 1 January each year.
