Creditors’ committees

Following the creditors’ meetings on 25 November 2019, the Administrators have now received the required executed consents to act and confidentiality agreements from the committee nominees and their representatives.

Where people were nominated to act as committee members but were not creditors/investors of those companies, they have been appointed as representatives of a creditor/investor who nominated them to be their duly authorised representative. The representatives will attend creditor committee meetings on behalf of the committee member with the same rights and authority as the creditor/investor committee members themselves.

The composition of the committees is as follows: -
