Purpose of the Initial Meeting

The purpose of the Initial Meeting is to seek approval of our Proposals and certain other decisions from customers and creditors.

I enclose the following documents in this regard:

- Notice of the meeting - setting out the decisions to be considered at the meeting (which includes whether a Committee can be established).
- A Proxy form - so that you can nominate a proxy-holder to attend and vote on your behalf.

Please note:

- Customers wishing to vote either at or in advance of the Customers' and Creditors' meeting must first submit a Customer Claim Form (if not already done so) by email to monevium@swgroup.com by 12.00 p.m. (noon) on Tuesday 25 August 2026, being the business day before the meeting date, to enable their vote to be valid.
- Creditors wishing to vote either at or in advance of the Customers' and Creditors' meeting must first submit a Proof of Debt Form (if not already done so) by email to monevium@swgroup.com by 12.00 p.m. (noon) on Tuesday 25 August 2026, being the business day before the meeting date, to enable their vote to be valid.
- Customers or creditors intending to vote by proxy in advance of the meeting should vote on all resolutions. Any proxies you intend to be used on your behalf must also be submitted to the JSAs by email to monevium@swgroup.com by 12.00pm (noon) on Tuesday 25 August 2026.
- Where a customer or creditor is a corporate body, a proxy form will be needed to nominate an authorised individual to attend and vote at the physical meeting on its behalf.

All documents are available on at <https://www.swgroup.com/services/restructuring-services/monevium/>.

Please note that the Initial Meeting is not intended to consider or resolve individual claims, account balances or personal circumstances. There will be no opportunity to discuss individual matters during the meeting.

Committee nominations

Customers and creditors may decide whether a Committee should be established in the special administration. A committee cannot be formed unless a majority of voting customers and creditors resolve to establish one.

A Committee can only be appointed if:

- more than 50% of customers and 50% of creditors, by value of claims, vote in favour of it, **and**
- at least 3 members are nominated to act on it.

The Committee must consist of both customers and one creditor.

Information on the role of a Committee can be found at: <https://www.r3.org.uk/technical-library/england-wales/technical-guidance/creditor-guides/more/29111/page/1/liquidation-creditors-committees-and-commissioners/>

Customers or creditors wishing to nominate themselves for the Committee should confirm this in writing to monevium@swgroup.com by 12pm (noon) on Tuesday 25 August 2026.

A customer and/or creditor is eligible to be a member of the Committee if they have proved their debt, the debt is not fully secured and the proof has not been wholly disallowed for voting purposes or rejected for the purpose of any distribution or dividend. A body corporate may be a member of a committee but must appoint a duly authorised representative to act on their behalf. If the individual is signing on behalf of a body corporate and the individual is the sole member, this must be confirmed upon the voting form for your vote to count.

Please note that if a Committee is formed, it will be for the Committee to approve:

- the basis of my remuneration (Resolution 2);
- the special administration expenses (Resolutions 3 and 4);
- pre special administration costs (Resolution 5); and
- the Distribution Plan (Resolution 7)

rather than the general body of creditors.
